HERE ADMIT GUILT  
AT ST. JOE COURT(Withhold Sentence of Bryant,  
Moore and Jones on Grand  
Larceny Count.

Alfred Bryant, residing north of South Bend, Wade Moore, Wheeling, W. Va., and Paul Jones, Dayton, O., pleaded guilty to a charge of grand larceny in the superior court at St. Joseph, Mich., Thursday afternoon, and sentences, which, it is understood, will range from two to five years, were withheld temporarily by the judge.

Bryant and Moore were captured in South Bend on the night of Oct. 10 by Sgt. Roberts when, it is said, they were attempting to make their getaway after staging a robbery in a butcher shop on W. Division st. Jones, the alleged ringleader of the trio, managed to elude the local officers, but was subsequently arrested in Dayton upon advice from the local officers.

Confessed to Robberies.  
Following their arrest here, Bryant and Moore, it is said, confessed to the officers their participation in several robberies and hold-ups which were being staged in this city about that time. They are said to have admitted "pulling" a robbery and hold-up at a restaurant at 198 W. Division st., a robbery at the Fisher grocery store, Michigan and Ohio sts., and other "jobs."

The hold-up of the night clerk of the New Yorker hotel in Niles was also admitted by the men. It is said. In this job \$80 in cash was obtained. Bryant and Moore, it is alleged, were the "lookouts" for Jones when he held up the clerk. It was on this job that the men were being tried yesterday.

Harry E. Josephson, clerk of the board of safety, Sgt. Amiel Luther and Detective Brandt were the three local witnesses to testify at the hearing. The local officers produced the signed confession of Bryant in which he told of the activities of the trio.

Although the judge did not announce the sentence the men are to receive, it is said that Bryant and Moore will be given two years in the Michigan reformatory at Ionia, Mich., while Jones will be sent to the state prison at Jackson for five years.

Cops Swoop Down  
On Card Players;  
20 Taken in RaidPolice Detail Interrupts "Gam-  
ing" Activities at 301 S.  
Michigan St.

In a determined effort to stop gambling activities which were believed to be in progress at 301 S. Michigan st., Sgt. Ben Roberts and a detail consisting of Officers Bloom, Hamilton, Dilbeck and Luther, swooped down upon the "card club" last night and arrested the proprietor of the establishment, Pat Wintrent, and 19 alleged frequenters of the gaming rendezvous.

It was learned that the detectives had placed under observation all evening and, after making a call early in the night, departed without making any arrests. This is said to have satisfied the card players who swarmed into the room on the third floor of the building.

Just as the game seemed to be at its height, the detail invaded the place and blocked the entrance so no one could escape. The patrol was called and the arrested men were brought to the police station to be booked. A sum of money totaling about \$200 was also brought along with the cards used in the game for evidence.

A "Popular Place."  
At 11:30 last night the station house seemed to be a mighty popular place as detectives and prisoners, officers and hosts, were crowded about Capt. Schock, on night desk duty, in an effort to disburse with the business. The men arrested were registered at the station as follows:

Pat Wintrent, Robertson hotel, keeper of 301 S. Lafayette st.; James Walters, 214 S. Michigan st.; Robert Duncan, 313 W. Colfax av.; Chas. Johnson, 222 S. Michigan st.; G. S. McDeen, Royal hotel, George Price, Flint, Mich.; James Thomas, 317 W. Monroe st.; George Macredie, 511 1/2 W. South st.; G. S. McDonald, Royal hotel; Sam Zeeben, 628 1/4 W. Monroe st.; James Thomas, Lansing, Mich.; Bill Gorgas, 419 Franklin st.; Angelo Cherbas, S. Main st.; and George Grives, 317 W. Monroe st.

The men were warned to appear in city court at 8:30 Thursday morning after they had been released on personal bonds or those supplied by Barry Scanlon, their attorney.

UNABLE TO REACH  
VERDICT IN TRIAL  
OF MARTIN JAGLAJury Kept Together in Effort  
to Get Decision—To Re-  
port This Morning.

Jurors deliberating as to the guilt or innocence of Martin Jagla, charged with burglary, entered into the second night without reaching a verdict. Special Judge Lenn J. Oare directed that the jury be kept together one more night in an effort to reach a verdict.

Rumors were current during the day that since 7 o'clock Wednesday night the count stood 11 to 1 for conviction. The case has attracted considerable attention and the court sessions have been crowded.

In the event of conviction the penalty will possibly be 10 to 20 years, the severe punishment having been fixed by the legislature at its recent session.

An agreement of the jury will result in retrial of the case. When the jury reports this morning it will have been in session more than 36 hours.

STEWART MAY BE  
SENTENCED TODAYIs Scheduled to Appear Before  
Judge Oare—May Issue  
Bench Warrant.

John Stewart, colored, real estate man and detective, is scheduled to appear today before Judge Lenn J. Oare for assault and battery upon a white woman. Stewart was convicted by a circuit court grand jury on a charge of assault upon Miss Alice Smith, a white woman. The jurors, however, found the defendant guilty of the lesser crime, assault and battery, and imposed the jail penalty with a \$500 fine.

Stewart was to have been sentenced yesterday, but his attorneys were unable to locate him. Word was received, though, that Stewart was to arrive in the city late at night. Failure of the colored man to be present at the opening of court today would result in the issuance of a bench warrant for his arrest, Judge Oare indicated.

IN LOSS OF \$600  
IN CITY THURSDAYAutomotive Supply Co. Is  
Threatened by Blaze—Barn  
Fire Most Damaging.

Damage amounting to more than \$600 was caused by six fires in South Bend yesterday.

Destruction of a storage barn with a loss of \$500 in an early morning fire marked the start of the series of blazes which culminated last night at 10:30 o'clock in a fire which threatened to destroy the Lincoln Automotive Supply company store at 113 E. Jefferson blvd.

The downtown blaze started in the basement of the building in a pile of rubbish under a stairway. The store was completely filled with smoke when firemen arrived and it was several minutes before they were able to locate the fire. It was extinguished following a loss of about \$50.

First Fire Not Costly.  
The first conflagration of the day at 4 o'clock in the morning, when a barn, owned by the St. Joseph County Loan & Trust company, a Michigan and Bronson sts., burned to the ground. The loss, only partially covered by insurance, amounted to \$400. Spontaneous combustion was reported as the cause. The lessee is J. C. Barrett.

At 10 o'clock in the morning, a roof fire at the home of Mrs. Elizabeth Curry, 628 Lincoln Way E., resulted in a loss of about \$10, while another blaze caused by sparks from the chimney, did considerable damage to the Arthur Lekes residence, 27 Cherry st., at 11 o'clock.

A chimney burning out was the cause of another call at 5:30 o'clock to a gateman's station on the Grand Trunk railroad at Division and Sample sts. There was but slight damage.

The fifth run of the day was little more than a scare in the home of William P. Taylor, 130 S. Taylor st., at 8 o'clock in the evening. Smoke from the furnace filled the house. Damage will not exceed \$20.

Judge Lindsey Declares State Has  
Great Responsibility in Dealing  
With Youth of Wayward TendenciesNoted Jurist Pays Tribute to  
Work of "Y" in Address  
at Rally.

"When the state neglects the child it neglects the opportunity to build a great institution in your midst and is just as culpable as a mother charged with contributory delinquency," Judge Ben B. Lindsey, of Denver, told an audience that packed the big gymnasium of the Y. M. C. A., Thursday afternoon.

Judge Lindsey, founder of the juvenile court and for 22 years on the bench dealing with problems of the boy and girl of wayward tendency, told an audience that he expressed the belief that a terrible danger is attacking the children of the United States despite agencies set up to withstand the attack.

The speaker said he recently sat on the bench with a learned judge who told him he had sentenced 50 young men to the penitentiary just previous for various crimes. Three-fourths of them just being over 21 years, and two about 25 years. "All of these are your children and my children for 'I am my brother's keeper,' and must we build the architecture of the state about this, our best asset," he asked.

"What counts most is the kind of men and women you are going to

EXPORTS JUMP BUT

More Bushels But Gets  
Less in Return.

By ALBERT APPLE.  
CHICAGO, Dec. 8.—Exports of grain from American farms this year have been 60 per cent bigger than in 1920, measured in bushels.

But money received for grain exports has totaled about 10 per cent less than in 1920.

Those who are seeking ways "to regain markets for our farm products" are fanning the air. The falling of has been in prices, not actual shipments.

Exports of wheat, corn, rye, barley and oats totaled 461,555,506 bushels in the first 10 months of 1921, compared with 251,526,966 bushels in the first 10 months of 1920. This was divided as follows, expressed in bushels:

|        | 1921        | 1920        |
|--------|-------------|-------------|
| Wheat  | 235,806,737 | 166,348,814 |

These grain exports sold for \$549,112,747, totaling the first 10 months of the present year, against \$622,831,614 in the corresponding period of last year.

Cotton Big.  
Exports of cotton, for the calendar year up to November, totaled \$5,186,585 bales, compared with 4-

have back of this great enterprise, what these boys and girls are now and how well we do our duty toward them," he continued.

Pays Tribute to "Y."

He told of the great moral clinics the state is contemplating where the child may go when he needs help. He said the state would make provision so these institutions would not usurp the home or interfere with the proper duty of the parent. "These institutions," he pointed out, "are built to see the child is taken care of and its morals preserved."

Judge Lindsey paid a fine tribute to the work of the Y. M. C. A., and urged his auditors to get together behind the membership drive being conducted this week.

He was introduced by Boyd Gurley, editor of the News-Times, whose guest he was during his brief stay in South Bend.

"Dad" Colson, of the religious department of the Y. M. C. A., made a plea for the membership campaign. He said the organization, takes in all religious creeds and is doing the biggest work for civilization today.

Judge Lindsey as a youth studied at Notre Dame university and was here seven years ago. He was surprised at the rapid growth the city has enjoyed in the interval between his last visit. He spoke at Elkhart Thursday night.

627,221 bales in corresponding months of 1920. But it brought less than half as much money.

Rice exports, in the same periods, jumped from 306,379,885 pounds in 1920 to 530,042,750 pounds in 1921. Exports of meat products fell off heavily, with exception of hams and shoulder and lard, which showed gains.
